## 2021 Junior Golf Programs

Door Creek Golf Course offers options for your junior golfer to learn the game of golf. From beginner to intermediate, we have the program that suits the young golfers. Our junior program is a fun and safe way to teach your child the game of golf.

### **Lost Creek Explorer Classes**

Lost Creek Explorers: Typical Ages: 4 - 10                      Friday or Sunday Options                      \$100.00

This 5-week program is tailored to our youngest players. One half of the class time will focus on activities that result in better balance, agility and hand eye coordination. We will use the second half of the class to relate these activities to the game of golf and the golf swing. These activities and “contests” will make it fun for the kids and keep them learning the whole time.
